Dear Mr. Auchter, -

Complying with your recent request, we have the choicest varieties of the improved turopean Filterts that have been found hardy in our climate.

We have had no trouble from blight nor diseases of any kind. We list below the varieties that we are propagating,-

White Lambert,
Red Lambert,
Italian Red,
Merville de Bollweiller,
Darcelona,
Daviana,
Kentish Cob,
Large Globe,
Minna's Zeller,
Early Globe,

we shall be glad to place your name on our mailing list as recuested.

Thanking you for this opportunity to file our list in your office, we are

Very truly,

ML. Culver You.
